Meeting, 29 August 1957

The backlog of cases over six months old at present totals 8 as compared with last month's total of 24.

- b. At our request the Records Management Staff made a survey of the Suggestion Awards Program files in this Agency and in other Agencies and Departments. We found that there exists a Statute of Limitations of two years on suggestions received. This limitation is being adopted for the Agency program. Files over two years old are being retired to Records Center to be retained for three years.
- c. The Statute of Limitations will be explained to all employees through the revised suggestion form.
- d. Two JOT's made a physical check of posters and poster frames used to publicize the Suggestion Awards Program. Their findings were reviewed, several frames are being relocated, and the signs over them changed from Incentive Awards Program to Suggestion Awards Program.
- e. An appropriate ceremony for the presentation of the \$3,500.00 award is being planned at the Deputy Director (Support) level.
- f. The Special Panel met 28 August 1957. Of the nine cases discussed, one was approved, four were forwarded for further evaluation, and four were rejected.
